Forecast for Friday 23 Sep 2022

Weather: Any lingering cloud mostly clearing and feeling quite chilly overnight with clear skies during the early hours. A bright start on Friday with a lot of sunshine and very little cloud. More cloud developing in the afternoon but still plenty of sunny intervals. Feeling fresher in the northwesterly winds.

Chance of cloud-free hill tops above 800m: Nearly 100%, perhaps a patch or two of low cloud lingering around the tops in the morning.

Low cloud and visibility: Patches of low cloud possible in the morning above 600m but most cloud dissipating. Visibility becoming very good in the afternoon with great views possible.
